

CHARLESBANK TECHNOLOGY INVESTING INITIATIVE

Based in Boston and launched in 2019, Charlesbank Capital Partners' technology investing initiative was formed to make equity investments in technology companies.

Charlesbank invests in both control and minority investments, buyouts and recapitalizations, and consolidations within its target sectors.

THE FIRM

Founded in 1998, Charlesbank is a middle-market private investment firm with more than \$15 billion of cumulative capital raised. The firm's Flagship strategy focuses on management-led buyouts and growth capital financings and invests across a range of industries, supporting management teams in building businesses, primarily in the United States. In addition to technology, Charlesbank also engages in opportunistic credit investments.
